Michael Fowler
Director of Public Safety
Daytona Beach Shores Department of Public Safety

Director Fowler,

I am writing to inform you of my decision to resign from my position as a Public Safety Officer with the Daytona Beach Shores Department of Public Safety, effective September 29, 2023.

I have accepted an offer for employment as a police officer at another department and believe this is the best decision moving forward for my career and personal life.

I am incredibly grateful for the opportunity given to me 3 years ago to become a part of this amazing profession. I sincerely thank you for the training and knowledge that has helped develop my skills and shape me into the officer I am today.

Please let me know if you have questions.

Respectfully,

Molly Billue
