To Whom it May Concern,

I hope this letter finds you well. I am writing to formally announce my resignation from my position as Firefighter/EMT with the Daytona Beach Shores Public Safety Department, effective two weeks from today's date, 08/17/2023 - 08/31/2023. Working with the Daytona Beach Shores Public Safety Department has been an incredible journey that I have cherished over the past few months. The experiences, knowledge, and relationships I have gained during my time here have been truly invaluable. I have always felt a strong sense of pride in contributing to the safety and well-being of our community.

However, after careful consideration, I have come to the difficult decision that commuting to the department has become financially and logistically challenging for me. The long commute and associated costs have begun to outweigh the benefits of my current position. I believe that in order to maintain a healthy work-life balance and make sound financial decisions, it is in my best interest to seek opportunities that are more aligned with my circumstances at this time.

I want to express my sincere gratitude to you and the entire team at the Daytona Beach Shores Public Safety Department for the support, guidance, and camaraderie you have provided me during my time. My time here has been nothing short of fulfilling, and I will always hold the memories close.

While I step away from my current role, I would like to make it clear that my passion for the department remains unwavering. As I eagerly anticipate the expiration of my Psychological Evaluation time, I will be waiting in the wings with the hope of potentially rejoining the team one day. Over the past two years, my desire to be a part of this organization has only grown stronger, and I genuinely believe in the impactful work that the Daytona Beach Shores Public Safety Department continues to do.

I want to assure you that my decision to resign has not been taken lightly, and I am committed to ensuring a smooth transition during the upcoming two weeks. I am more than willing to assist in any way I can to help facilitate the handover of my responsibilities.

Thank you once again for the incredible opportunity to contribute to the department. I am grateful for everything I have learned and the friendships I have forged. Wishing the Daytona Beach Shores Public Safety Department continued success and growth in the future.
