Redactions and records-process correspondence | October 16, 2026

Editorial summary prepared from the recovered email correspondence. This is not a facsimile, verbatim transcript, or independent verification of the City's statements. Requester contact details omitted.

From: Penny Overstreet, City Clerk Date: October 16, 2026, 11:23 a.m. CC: Susie Buttner

Overstreet supplied Schuchardt's employment application and cited Florida Statutes section 119.071 for redactions covering Social Security numbers and protected personal information of current or former law-enforcement personnel and their families.

Overstreet said the city does not have a separate administrative public-records policy. She said requests may be submitted to any staff member, are generally forwarded to the City Clerk and are sent to the Police Department's records manager when appropriate.
